ABOUT US

Fast Force is a New Zealand-owned and operated recruitment agency based in Christchurch and Auckland. Fast Force connects highly talented and skilled candidates with employers in temporary and permanent positions, in a variety of fields like Construction, Warehousing & Distribution, and Courier Relief Driving. Whether as a job seeker, you are searching for a new career opportunity, or as an association looking to hire talent, Fast Force has got you covered.

GET THE RIGHT WORK FORCE

Finding the right person for your business is a crucial decision that hinges on the way you search for, select and interview potential applicants.

At Fast Force, you can trust us to take care of this process for you, and guide you through the important process of adding A person or A Team of talent to your team.

CONSTRUCTION/TRADE SERVICES

We take responsibility for your casual workforce and contribute to your project's success by taking the hassle out of sourcing and managing your temporary labour needs.

Fast Force is committed to supplying labour that meets your standards every time.

We aim to match workers' skills and experience to your requirements. Please ensure we have as much information as possible to allow us to plan successfully for each job.

We try our best to ensure the workers we provide are trained and compliant with site safety and first aid requirements.

.We source qualified & experienced staff for permanent roles as well as on short-term contracts. We are proud of our reputation for sourcing highly qualified workers at short notice and the personal touch we bring to our client relationships.

In these competitive industries, labour at a reasonable rate is incredibly important. Thankfully, Fast Force is committed to meeting your overall budget without compromising any skills required for the project. Over time, we have established a strong relationship with our wide client base, which ranges from several industry leaders to other smaller operators. Let us know about your project and we will hand pick a crew that fits your requirements. We can supply the following workers to your site:

- Harvesters
- Relief Milkers
- Heavy Machinery Operators
- Stock Drivers.. and many more!

COURIER RELIEF DRIVER SERVICE

The courier industry is a key player in keeping NZ and the world moving forward. Every day, millions of parcels and important documents are delivered around the country.

Here at Fast Force, we understand how challenging it can be when working under pressure in this environment with deadlines. There is always a need for an extra hand, during peak times to deliver in a timely manner. Therefore, we have introduced the service of relief drivers. We are sure this will bring ease to your daily operation and a peace of mind. Some of the features of the service are:

- A pool of professional drivers
- All drivers have a thorough background check (work reference, ACC, Driver's license and MOJ)
- If the assignment is longer than 1 week, we do not charge our one-off agency fee; you will only have to pay for the basic hours worked. This allows you to train the driver for your run.
- Flexibility with the payments.
- Drug and Alcohol checks can be arranged at the employers' requests and expenses.

Why not get in touch with one of our consultants and get started? If you require someone in the next week or month, it is ideal to enquire now, and we will get the driver ready for you.

Basic Terms of the Service

The minimum assignment length required is 6 hours. If you need to book a relief driver for more than 10 hours, then kindly let us know in advance.

The booking fee is \$45.00 which is non-refundable. Fees become payable upon the confirmation of your request. Should you need to cancel a booking for any reason please provides us with a minimum of 48 hours' notice. Failure to provide enough notice time will result in a levy of \$287.00.

We recommend at least 7 working days booking notice to guarantee any confirmation.

All bookings are subject to availability, if we are unable to serve your request you will be notified at least 3 days before the commencement of an assignment.

You are required to sign our acceptance letter before we start serving you for any request. If you allow us to proceed without signing it, you are deemed to accept our terms & conditions.

To access our full terms and conditions document please get in touch with one of our consultants.

Hunt Tailored to the job

After initial process, our consultant will visit your premises to get to know you and the business requirements better.
