## Black Armour® Nitrile Disposable Glove

**ARMOUR**  
"Gotcha Armour On?"

**\$26.99**

Per Unit  
(Excluded GST)

### Features and Benefits

- ▶ Made from 100% Nitrile
- ▶ Perfect for chemical, petroleum handling
- ▶ Powder-free
- ▶ Incredibly strong
- ▶ Textured fingertips for precise handling
- ▶ Incredible "touch and feel" yet comfortable for extended wear

### DGBA

Unit: Box  
Size: S, M, L, XL, 2XL, 3XL  
Colour: Black  
Material: Nitrile  
EN 374-1:  
2016 Type C  
FDA  
CE  
Sanitised

## Armour® Black Flat Nitrile Open Back Glove

**ARMOUR**  
"Gotcha Armour On?"

**\$2.54**

Per Unit  
(Excluded GST)

### Features and Benefits

- ▶ A palm and finger dip of black nitrile on seamless nylon inner with elasticised wrist
- ▶ Protection of nitrile from water, chemicals and other compounds
- ▶ Tight fitting like a disposable glove but comes off easily and is easily reused.
- ▶ Open nylon back allows the glove to breathe.

### NIBLOB

Unit: Pair  
Pack Qty: 12  
Carton Qty: 120  
Size: S, M, L, XL, 2XL  
Coating: Nitrile  
Colour: Black  
Liner Fabric: Polyester  
EN 388:2016: 4121

## Duty® Open Back Cut 5/F Glove

**ARMOUR**  
"Gotcha Armour On?"

**\$15.44**

Per Unit  
(Excluded GST)

### Features and Benefits

- ▶ Exclusive 15 gauge yarn that achieve the latest CUT 5/F liner technology
- ▶ 20,000 abrasion cycle rating for increased longevity and performance
- ▶ Perfect dexterity, flexibility, super comfort and very good fitting
- ▶ Touch screen compatible
- ▶ Contact heat performance – 100° for 15 seconds
- ▶ Reinforcement (between thumb and index fingers)
- ▶ Super grip in both dry and oily working conditions
- ▶ 360° breathability to keep your hands cool at work
- ▶ Sanitized® hygiene function offers increased freshness, comfort and protection

### DOBC5

Unit: Pair  
Pack Qty: 12  
Carton Qty: 72  
Size: XS, S, M, L, XL, 2XL, 3XL

EN 388:2016 4X43F  
EN 407 X1XXXX

### Applications

- ▶ DIY
- ▶ Finishing and inspection
- ▶ Gardening
- ▶ Handling of small components
- ▶ Primary, secondary and final assembly
- ▶ Maintenance
- ▶ Logistics and warehousing
- ▶ Using tools and instruments
- ▶ Wiring operations

# HAND & ARM

## Duty® Open Back Glove

**ARMOUR**

"Gotcha Armour On?"

**\$7.32**

Per Unit  
(Excluded GST)

### Features and Benefits

- ▶ 360° breathability – micro-foam nitrile coating offers 360° breathability.
- ▶ 25,000 abrasion performance for longevity and increased cycle rate performance
- ▶ Thinner – than most foam nitrile gloves on the market whilst offering twice the mechanical performance.
- ▶ Touch screen compatible
- ▶ Contact heat performance – 100° for 15 seconds
- ▶ Form, fit and feel – mimics the "hand at rest", reducing hand fatigue and increasing comfort.
- ▶ Latest knitting technology – utilized to produce smooth and rounded fingertips, improving fingertip sensitivity.
- ▶ Consistent liner penetration – from the nitrile, leaving only the soft liner resting against the skin.
- ▶ Optimized grip delivered through our micro-cup finish allows for a controlled grip. Our GripTech® "micro-cup" finish enhances grip properties making parts are handled more securely. In addition, it reduces hand fatigue associated with a lack of a proper grip.
- ▶ Duty&reg has outstanding durability withstanding 25,000 abrasive cycles per millimetre.

### DOB

Unit: Box

Building & Construction  
Manufacturing  
Forestry  
Industrial work  
Agriculture & farming etc

## Hellberg® Secure S2F Yellow Foldable (SLC80:30dB) - Class 5

**\$68.81** Per Unit  
(Excluded GST)

### Features and Benefits

- ▶ The headband construction makes the hearing protector very compact when folded, perfect when the hearing protector needs to be easy accessible. When stored the cups are sealed and protected from dirt and debris. The headband folds in and out easily and has soft cushion that enhances comfort at the crown of your head.
- ▶ Durable construction made from thermoplastics that withstand rough environments and variable temperatures without ever losing its clamping force and flexibility. This non-conductive construction makes it a perfect choice for working close to electrical sources.
- ▶ Smooth and easy size adjustment with one single adjustment point, eliminating any risk of tilting, for a tight and comfortable fit.
- ▶ Comfortable cushions with minimal sweat retention and soft foam filling increases comfort. The snap-in system enables regular replacement for a long-lasting and hygienic product with high performance.
- ▶ Hellberg hearing protectors are divided into three noise protection levels, ranging from low to high noise protection. These are clearly indicated with bright safety colours for easy identification and selection

### 41502-001
